Dear Parents and Carers

Please find attached to this letter a copy of the OFSTED Report following the inspection at Ashmole Primary School on 9th and 10th November 2016.

We are pleased that the work of the whole school community to improve the opportunities and outcomes for Ashmole pupils has been recognised by the inspection team and hope that you will enjoy reading the report.

Thank you for your valued support of the work of the School over the past two years. The Ashmole parent community are appreciated for their good-nature, keen interest and loyalty towards the School.

We feel immensely proud of the behaviour and attitude of our pupils, which has been acknowledged in the report. OFSTED inspections will come and go but the impact of the School's care and commitment to Ashmole children will last for a lifetime.

We will now build on the strengths identified in the report to continue to deliver the best possible opportunities for all of our pupils.

Yours sincerely

Adam Hickman
