July 2016	Updated with outcomes and additional costs
October 2016	Updated with projected income for 2016/17 Updated with planned spend for 2016/17

Sports Premium.

What is the Sports Premium?

The government is providing funding of £150 million per annum for the academic year 2015/16 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

This academic year, Ashmole has been awarded a sports premium grant of over £7000, and this money can only be spent on sport and PE provision in our school.

At Ashmole, we fully recognise that the contribution of Physical Sport and Education to the health and well-being of the children. We believe that an innovative and varied PE curriculum has a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE lessons.

Below is a breakdown of how the money received will be spent to enhance PE within our school.

Amount Received 2015/16
➤ £ 8,957.50

Objectives of spend:
<ul style="list-style-type: none"> ➤ To improve the provision of PE at Ashmole Primary School ➤ Broaden the sporting opportunities and experiences available to pupils. ➤ To continue to encourage the children to develop a love of sport and physical activity

Item/Project Objectives	Cost	Objectives	Outcomes
Sports Coaching	£ 6000	Ensure children have a high degree of success prior to entry to competitions. Coach Imran from Pioneer Sports will provide focused practice sessions for children representing the school. AG and T sessions to support more able. Support and Extend to support children who are currently developing their skills.	The school football team has already been successful winning their first match. It is the first time, in seven years, that the school has won its opening match. Through focused training sessions, we hope to build on this excellent start by enhancing the fundamental skills required by our school team.
New scheme of work	£800	Develop a health and wellbeing resource for schools to use to improve inactivity and support improvement in attainment for Key Stage 2 students.	A broad and balanced curriculum was implemented during the autumn term. Teachers feel that they are becoming more confident teaching PE. Assessment of children's fundamental skills has improved as a result.
Competitions throughout the academic year	£800	Maintain the London 2012 pledge to 'inspire a generation' through regular Legacy Challenges by: Improving participation in	The school has already signed up to a wide selection of competitions and outside agency activities this year.

PE & Sport Premium Grant Statement

		intra and inter school sport.	These include, football, tag rugby, multi-skills, mini tennis, athletics and
Equipment	£600	Replace equipment/New equipment for lessons and for school playtimes.eg Tennis tables.	Pupils and teachers have access to high quality equipment which enables improved quality of lessons and children's playtimes
Extracurricular clubs <ul style="list-style-type: none"> • Gymnastics • Multi skills • Martial Arts 	£1000	In 2015/16, we have used some of our Sports Premium fund an exceptionally high standard of extra-curricular sporting provision for all our pupils.	We currently have 2 morning gymnastics classes a week, which are open to all children in KS1 and KS2. We currently have a waiting list for this particular lesson. Martial Arts training are available for children in KS2, with multi skills open to pupils in KS1. We will be introducing an after school football club at the beginning of the new academic year.
PE & Sports provision monitoring	£1800	Subject lead to be released from class. Subject lead to monitor lessons/sports provision in order to ensure that it is being delivered effectively across the school. Monitoring may take the form of lesson observations, management of summative assessments, and gaining pupil voice on various opportunities provided for them.	It is anticipated that at the end of the academic year we will have a strong base of data to show the impact of this sports premium funding on pupil progress and involvement in sport. Standards in teaching and learning have already risen, and more importantly, the percentage of pupil premium children meeting or exceeding the expected standard has risen.
	Total		

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements, which will be done in co-operation with London Sports Partnership. This will include evaluation of our action plan, whilst working towards achieving a Sports Mark for our school, demonstrating our commitment to sport.

We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE by compiling evidence from staff training, questionnaires and evaluations. Finally, we will monitor the increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. To do this, we will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments are made both formally and informally using our school assessment systems as well as feedback from staff and visitors to the school.
