Sports Premium.

What is the Sports Premium?

On 17th July 2017 the Department for Education confirmed that the Primary PE & Sport Premium will double from September 2017. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all pupils.

This academic year, Ashmole has been awarded a sports premium grant of over £16,000, and this money can only be spent on sport and PE provision in our school.

At Ashmole, we fully recognise that the contribution of Physical Sport and Education to the health and well-being of the children. We believe that an innovative and varied PE curriculum has a positive influence on the concentration, attitude and academic achievement of all our children. Of

Our Primary Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE lessons.

Below is a breakdown of how the money received last year was spent to enhance PE within our school.
Amount received: £8975.50

Objectives of spend:			
<ul style="list-style-type: none"> ➤ To improve the provision of PE at Ashmole Primary School ➤ Broaden the sporting opportunities and experiences available to pupils. ➤ To continue to encourage the children to develop a love of sport and physical activity 			
Item/Project Objectives	Cost	Objectives	Outcomes
Sports Coaching	£ 6000	Ensure children have a high degree of success prior to entry to competitions. Coach Imran from Pioneer Sports will provide focused practice sessions for children representing the school. AG and T sessions to support more able. Support and Extend to support children who are currently developing their skills. Additional sessions will be held in order to prepare the children for upcoming competitions.	Children who were identified through teacher assessment as gifted and talented, or needing additional support had the opportunity to attend PE sessions in, addition to their weekly lesson. Children from both groups represented the school in various competitions, including tag rugby, athletics and an inclusive sports festival for children with SEN. Teacher assessment at the end of the year has shown that children from both groups made a significant improvement, which will be further built on.

Extracurricular clubs <ul style="list-style-type: none"> • Gymnastics • Multi skills • Martial Arts • Football training 	£1000	It is our intention to use some of our Sports Premium fund to provide an exceptionally high standard of extra-curricular sporting provision for all our pupils.	The extra-curricular clubs were extremely popular, with a waiting list for all clubs. To ensure all pupils had the opportunity to attend, club attendance was reviewed half termly. Parent feedback has been very positive.
PE & Sports provision monitoring	£1800	Subject lead to be released from class. Subject lead to monitor lessons/sports provision in order to ensure that it is being delivered effectively across the school. Monitoring may take the form of lesson observations, management of summative assessments, and gaining pupil voice on various opportunities provided for them.	The subject leader undertook various lesson observations-including that of external sports coaches-to ensure that the quality of teaching and learning in PE was at the standard expected at Ashmole. Examples of pupil voice across the school has been gathered and added to the school PE portfolio. Teacher's assessment of PE has been monitored, with feedback provided to each teacher, with an area for them to develop.
	Total	£10,300	

We evaluated the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements, which was carried out in co-operation with London Sports Partnership. This included an evaluation of our action plan, whilst working towards achieving a Sports Mark for our school, demonstrating our commitment to sport.

We also evaluated the impact of professional development opportunities in improving teaching and learning in PE by compiling evidence from staff training, questionnaires and evaluations. The subject leader monitored the increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. To do this, we looked at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments were made both formally and informally using our school assessment systems as well as feedback from staff and visitors to the school.
